Short instruction of the training sessions or the activities	By the end of the lesson you will be able to: - To identify the value of honesty in this song characters - To separate honesty from different types of bad behaviour/features: sneaking, disguising, punishing - To give examples of activities you successfully accomplished by yourself;
"a bag of tricks" useful pieces of advice and suggestions for the students	If you work hard every day, taking each step at a time, making mistakes and taking it all over again, you should be successful. We admit our errors and keep on going! There is always something to be learned from our mistakes, too and you shouldn't be ashamed to ask for help when you need it. The things that you haven't worked for do not lead us to success. Keep on trying to do things by yourself!

Worksheet / exercises:

Little mousy Dominic

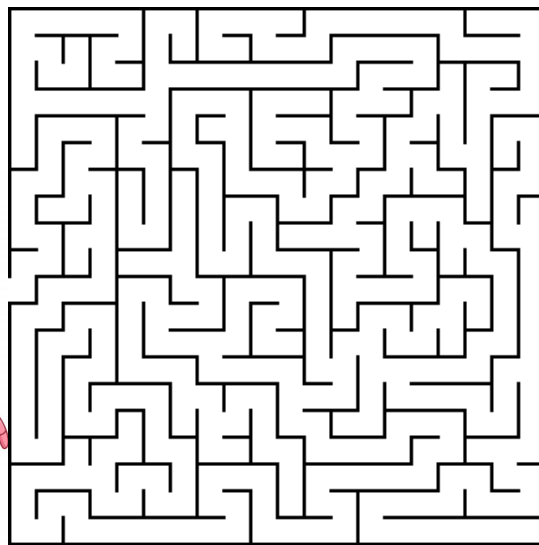

Dominic the little mousy
That was really, really tiny
Chose to put on some disguise
And sneak right into the hives
Little mousy Dominic

Dressed up like a busy bee
The Queen pretending to be
Carried honey from the hive
To the other little mice
Little mousy Dominic

Once she saw the dirty trick
Played by Mister Dominic
Mighty Queen made'im be
Another tiny busy bee
Little mousy Dominic

Like a busy bee he worked
In the garden, round the clock
And eventually found out
Honey wasn't to be taken out
Little mousy Dominic
